Dear Sir

**ENQUIRIES ON ENTRY VISA INTO SINGAPORE & OTHER MATTERS FOR
DOMINION OF MELCHIZEDEK PASSPORT HOLDER**

I refer to your letter dated 19 Jan 98.

- 2 Holder of a Dominion of Melchizedek passport does not require an entry visa to enter Singapore.
- 3 Visitors are normally granted a stay of 14-30 days upon arrival in Singapore if they meet the usual entry requirements ie they hold valid travel documents, return/onward ticket, entry facilities, including visas to next destination and have sufficient funds for their stay here. If they wish to remain here beyond the validity given, they may apply for further extension of stay at the II Visit and Visa Section, 4th Storey of this Office.
- 4 Any foreigner who is able to secure employment with a company in Singapore may submit an application for Employment Pass to work here if his monthly basic remuneration exceeds S\$2000/- or he holds acceptable tertiary/professional qualifications. If the salary is S\$2000/- and below, he is required to obtain a Work Permit.
