OFFICIAL LETTER OF INVITATION

Dear Hon. Smith,

Due to your efforts in helping the people of Liberia in the past in providing humanitarian Aid and Education through joint partnership with IECAA and Mission Harvest America, combined with our desire to continue building on the relationship already established to date, I hereby extend to you this invitation to attend the matriculation program of Taongi National University, scheduled for the 31st of August 2019, and also to meet with some senior government officials during your visit, to discuss further developmental project beneficial to the people of Liberia.

The people of Liberia, and especially, Salala District, Lower Bong County, send their sincere appreciation for your continued effort and vision to construct a world class university with campuses, offices, dormitories, etc. They are grateful for your continued efforts in the area of education, educational services, as well as humanitarian and economic programs to assist the people of Liberia collectively.

Please accept this letter of invitation from me to you as an official invitation with all the privileges and immunities commiserating with your status and station as an honorable man of the Dominion of Melchizedek.

Best regards.

Sincerely Yours,

Henry Willie Yallah
